MEMORANDUM AND ORDER

For the reasons stated on the record during yesterday's hearing, I am denying the motion for temporary restraining order as plaintiff has failed to demonstrate a threat of irreparable harm or a likelihood of success on the merits as required by *Dataphase Systems, Inc. v. C L Systems, Inc.*, 640 F.2d 109, 114 (8th Cir. 1981). This case will be set for a scheduling conference by separate Order, but in the meantime I urge the parties to engage in serious settlement negotiations.

Accordingly,

IT IS HEREBY ORDERED that the motion for temporary restraining order [7] is denied.

CATHERINE D. PERRY
UNITED STATES DISTRICT JUDGE

Dated this 17th day of July, 2018.
